

Mrs. O and Mrs. L at Noah Wallace School selected the following virtual math games to help us get excited for Pizza and BINGO NIGHT on Tuesday March 16 at 6:15pm!

Click on the images below to access the games and have fun!

These activities require thinking ahead and problem solving!
Have fun! You have what it takes!

Grades K, 1 and 2

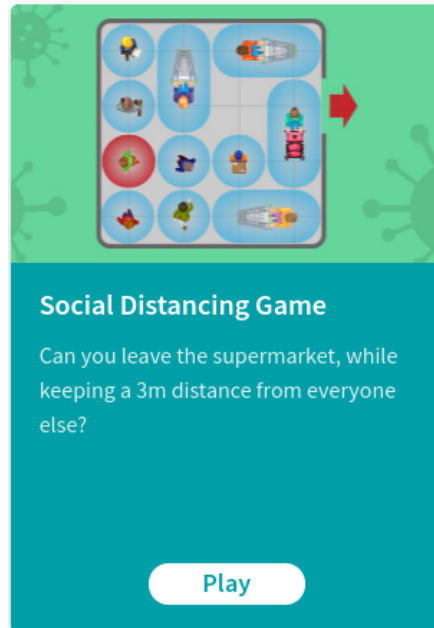

Tangram Builder

There are countless different shapes that can be created using the seven simple Tangram tiles. What can you come up with?

Open

Grades 3 and 4

Social Distancing Game

Can you leave the supermarket, while keeping a 3m distance from everyone else?

Play

These activities require you to be accurate, think flexibly and persist! Have fun! You will ROCK IT!

Grades K and 1

Grades 2, 3 and 4
